

Eastern Shoshone Victim Services will be closing the office to the public, and working remotely, due to rising COVID-19 concerns. We will remain closed in accordance with other victims services, schools, and public programs. The on call line will remain open and clients will still be able to be served on a case-by-case basis and by appointment only. We will continue to try our best to serve everyone who still needs assistance. Reach us at 307-335-2050.

Thank you for your understanding during this unprecedented crisis.
