

With the safety and health of the Wind River Reservation in mind, the Boys & Girls Club of the Eastern Shoshone Tribe will suspend ALL Club activities until further notice. This includes basketball leagues, Teen Nights, and AfterSchool Programming. Under the advisement of IHS and the Eastern Shoshone Business Council, we have decided this is the best decision for our people.

We are so sorry for this inconvenience and we will be right here for you as best we can. Please keep your family safe and follow all guidelines issued by IHS and the SBC.

With Prayers,
Rory Robinson
CEO
