NOTICE OF EMPLOYMENT

Position:	Tribal Electrification Program (TEP) 2 Field Technicians
Supervisor:	Tribal Electrification Program Director
Opening Date:	October 22, 2024
Closing Date:	Open until filled
Salary:	Pay DOE
Employment Type:	Full-Time

The Eastern Shoshone Housing Authority (ESHA) accepts applications from individuals seeking full-time employment as Tribal Electrification Program (TEP) Field Technicians.

The Field Technicians will support the installation and maintenance of small-scale solar projects on the Wind River Reservation. This role involves data collection, addressing issues in the field, and performing other duties as assigned. The Field Technicians will ensure the successful implementation and operation of solar systems, contributing to the project's overall success. On-the-job training will be provided.

Qualifications:

- Assist in the installation of solar panels, including mounting, wiring, and connection to inverters and other system components.
- Collect and document data on solar system performance, site conditions, and other relevant metrics.
- Address issues that arise in the field providing immediate solutions escalating to higher management as necessary.
- Perform additional tasks as assigned by the Field Team Lead or field supervisor to support project goals.
-

Minimum Qualifications:

High school diploma or equivalent, technical training in solar installation or a related field is preferred. Must pass a drug test.

Certificates/License: Must possess a valid Wyoming Drivers License throughout employment and be eligible for ESHA vehicle insurance.

How to apply: Persons interested in this position should submit an Eastern Shoshone Housing Authority Employment application to Allison Sage ESHA Human Resource Director. For more information please call (307) 332-5832
